STEP 1

Log in to your Marketplace account and select your **2025** application - **not** your **2026** application.

STEP 2

Select **Tax Forms** from the menu on the left.

STEP 3

Under Your Form 1095-A, select **Download PDF**. If a form has a "**Corrected**" status, download this corrected form instead of a previous version. After downloading your PDF, save it to your computer.

STEP 4

Open your saved file. Select **File** in the top left, and **Print** to print a copy for your records.

Have more than one 1095-A?

You may have more than one if your household enrolled in more than one Marketplace health plan or if you reported a life change during the year. If the Marketplace-assigned policy number in Box 2 is the same for all forms, use the most recent form.

Get more information on what to do if you have more than one 1095-A at [IRS.gov/affordable-care-act/individuals-and-families/health-insurance-marketplace-statements](https://www.irs.gov/affordable-care-act/individuals-and-families/health-insurance-marketplace-statements).
